IRPC turns around

Thanks to stock and foreign-exchange gains, IRPC reported net profit of Bt2.14 billion in the third quarter, turning around from a huge net loss of Bt4.06 billion in the second quarter.

For the first nine months, IRPC's net loss improved to Bt975 million, compared with net profits of Bt5.46 billion for the same period a year ago. In the nine-month period, consolidated net sales revenue reached Bt217.25 billion, an increase of 17 per cent from the same period last year.
